

Hello Yellow treasure hunt

Get everyone involved in a yellow treasure hunt. Pick a prize and whoever finds the most coins wins!

Top tip: print off more than one sheet to have plenty of coins to hide

How to play

- 1** Cut out your gold coins and hide them around your school, workplace or wherever you're hosting your event.
- 2** Pick a prize and ask players to donate. Or play just for fun without the donation.
- 3** Set a time limit for people to hunt for treasure - it could be a 5 minute speed run or a whole day of hunting.
- 4** Get everyone to count their coins and announce the winner!
